The North West London Child Death Review service operates across all 8 Boroughs of Brent, Ealing, Hammersmith and Fulham, Harrow, Hillingdon, Hounslow, Kensington and Chelsea and Westminster as a nurse led service. We operate from **8AM to 8PM** weekdays (**On call service outside of normal working hours 9-5**) and **8AM to 1PM** on weekends and bank holidays. Please use the team email/phone number for assistance out of hours and the nurse on call will get back to you

You will note within the above team structure we have coordinators for each of the boroughs. These nurses will be the first point of call for any strategic issues, but all the team will be managing cases from across all the boroughs. Juliet our administrator is our eCDOP lead and can help with account queries or issues.

To report a child death please visit: <https://www.ecdop.co.uk/NWLondon/> and complete a Form A as soon as possible in order for the team to be able to action the Child Death review process.
